

Coach-Profile

Birgit Kuelpp, 54 years, married, 4 children

Psychologist

(Focusing on human resources and organizational development;
Universities of Cologne and Munich)

Twenty years of experience in leadership and team development, moderation of strategy processes, assessments, executive coaching and consulting, including founding and partnering a temporary employment agency (PPE Zeitarbeit, München, 1985-1989), a sales organization for office equipment (Hays Company, Boston, USA, 1989-1990), a mid-size consultancy (UPT, München, 1990-2000) and Management Consultancy Külpp und Partner (Pöttmes, 2001- ongoing). She specializes in moderation of strategy processes and facilitating workshops concerning change projects and/or projects to be rolled out globally. Birgit supported senior managers in strengthening their leadership approach, building high performance organization and accompanying change processes such as restructuring, outsourcing and internationalization.

Professional Profile:

My own entrepreneur and leadership experience, coupled with my expertise as a psychologist, professional moderator and consultant, provides me with deep insights into the dynamics of human behavior and team dynamics as well as the business demands in rapidly changing markets and organizations. I moderate processes and coach leaders and their teams to fully understand the demands put on them, work effectively and efficient on strategy execution and sustainable results. What finally counts is that my clients achieve their personal, professional, and business goals and that we contribute to company's strategy

Educational and Professional Credentials:

Master's degree in Psychology (Personnel and Organizational Development) (University of Cologne and Munich), educated in Professional Moderation, Workshop Facilitation and Team Developments (Esalen, USA), Systemic Coaching and Counseling (Munich, Germany) and Coaching and Training (Salzburg, Austria), Supervision (Boston University, USA) skilled in the administration and interpretation of various psychological tests and assessments i.e. Personality Questionnaires, MBTI, Reflector Big 5 Personality, Reiss Motive-Assessment
